

GOLDTHREAD FARM & APOTHECARY'S

FARM TO PHARMACY INTENSIVE

WITH
DAVID CROW
& WILLIAM SIFF

Propagate, harvest, process, and study the botanical characteristics, medicinal properties and therapeutic uses of 25-30 major herbs growing at Goldthread's 3.5 acre farm • Participate in daily herb walks • Learn specific remedies for common ailments • Prepare tinctures, syrups, teas, salves, elixirs, and oils from freshly harvested herbs • Distill essential oils and hydrosols over our wood fired still • Investigate Chinese, Ayurvedic, and Western herbal theories in daily lectures with William Siff and David Crow.

SEPTEMBER 19-23

9AM-6PM

CONWAY, MA

Individual course: \$700

Early payment special: \$600 by August 19

A vegetarian lunch is included in the program fee, prepared using organic vegetables and dairy from local farms.

- Certificate Awarded Upon Completion
- Possible College Credit Available

THE TEACHERS:

WILLIAM SIFF is a licensed acupuncturist and herbalist with over ten years of clinical experience. He has trained in Western, Chinese, and Ayurvedic herbal traditions. William co-founded Goldthread Herbal Apothecary and Herb farm in Western Massachusetts, and teaches the "Farm to Pharmacy" internship program.

DAVID CROW is one of the world's foremost experts and leading speakers in the field of botanical medicine, natural health and ecological sustainability. He is a master herbalist, aromatherapist and acupuncturist with over 20 years experience and an expert in Ayurvedic and Chinese medical systems. He is a renowned author and the founding director of Floracoepia.
